

**They don't have any idea who we are,
but the aviation industry would be grounded without us.**

**OVER 70 YEARS
OF SERVICE!**

With five national locations, we have over 390,000 sq. ft. of warehousing for just-in-time delivery, anywhere in the world.

Look to ISW for round and shaped wire, custom plating, straighten & cut, and torsion straightening.

ISW Wire and Strip is Everywhere!

Our superior quality products and extensive capabilities impact everyday life, everywhere. Take a look around! From control panels for the aviation industry, to safe tumblers, oven racks and thousands of other essential products, manufacturers rely on the quality of Industrial Steel & Wire.

Committed to Superior Products and Service

ISW is your source for high-quality, competitively priced ferrous and non-ferrous wire and specialty strip. By providing exceptional service and solutions, we give our customers a competitive edge in the marketplace.

Making an Impact Every Day, Everywhere!

Your preferred source of wire and strip
