RE : REACH - SVHC EU Regulation EC 1907/2006 /Annex XV11/REACH 240

Dear Valued Customer,

In order to comply with our responsibilities, we have reviewed the **REACH** Regulation as applicable to the products we supply. According to the regulation, the products that are supplied by Industrial Steel & Wire are considered "**articles**" and as such are not required to be registered.

We have reviewed the current listing of "SVHC's" and have determined that none of the items on the list are present on or in the products we supply. Our suppliers have confirmed to us that the product(s) they manufacture are subject to periodic independent testing to ensure the continued compliance with the **REACH** Regulations.

Sincerely,
